Competent Court. Any disputes arising between the Parties relating to, arising out of or in any way connected with this Agreement or any term or condition hereof or the performance by either Party of its obligations hereunder, whether before or after termination of this Agreement, that the Parties fail to settle amicably within a reasonable period of time shall be exclusively submitted to the competent court of Florence, Italy.

A student who enrolls in a course of the International School of Specialization for Graphic Art Il Bisonte (herein after "Il Bisonte") hereby agree as follows:

Il Bisonte requires students to have a behavior and discipline in keeping with the rules and regulations of the School, as well as with Italian and European Union laws. Students are required to comply with the Il Bisonte school attendance regulations for the entire duration of their participation in the course, under penalty of removal from the course itself.

The program and timetable of the course, the rules and administrative procedures can be changed whenever the school director deems it necessary. Course attendance and punctuality are mandatory and primary requirements for a responsible learning experience at Il Bisonte. Absences are not justified for any reason, with the exception of absence due to illness proven by a medical certificate. Any delays in the classroom (eg. Entrance after the start of the lessons or abandonment of the lesson without notice) will affect attendance and final grade..

How to register

- The student is required to pay the enrollment fee of € 250 (where applicable) before the start of the course.

- The enrollment fee must be paid 60 days before the start of the course in case of visa application. It is important to know that embassies sometimes ask for full payment of fees to issue the student visa. Once payment has been received (enrollment and / or attendance fee), Il Bisonte will send the official "Letter of Acceptance", which is one of the documents required for the visa application. In case of failure to issue the visa, Il Bisonte will refund the total amount of the attendance fee already paid (not the registration fee). The enrollment fee is NOT refundable unless the course is not activated.

Tuition fees must be paid by the 1st day of class. Upon request, students can pay tuition in installments with an "additional cost" of 3% for splitting payments. The student who for personal reasons withdraws from lessons before the end of the course is in any case required to pay the installments signed with the school. Refunds of paid installments or fees are not allowed.

Course materials, museum entrance fees and school trips are not included in the course fees.

Il Bisonte reserves the right to use the students' works or photos and videos taken during the year for inclusion in printed publications and online advertising.
